

# Going Through the Menopause? Try MENOstage.

## It Has Helped So Many People....

### What is MENOstage?

A gentle herbal food supplement to support women during the menopause or troublesome monthly cycles. With its 13 active ingredients (including red clover, pfaffia, soya isoflavones, wild yam and sage leaf), this supplement specifically for women is designed to offer natural support for the body's natural balance and rhythms.

### Benefits of MENOstage:

- Restores hormonal imbalance
- Eases menopausal symptoms
- Reduces hot flushes
- Reduces night sweats
- Increases energy levels
- Helps with difficult monthly cycles
- Decreases irritability
- Reduces tiredness, headaches and insomnia
- May help depression

This product is suitable for Vegetarians & Vegans.
