

Probiotic MAX

What is Probiotic MAX?

A MAX strength multi-strain probiotic for full spectrum support:

Support a healthy balance of good and bad bacteria in the gut with this practitioner-strength 8 strain probiotic, which offers full spectrum support of the upper and lower intestines and contains a massive 20 billion organisms per capsule!

Probiotics are necessary as our bodies are constantly under the effects of stress, food additives, medication and bad dietary regimes all of which disturbs the balance of gut friendly bacteria, and can allow strains of pathogenis "bad bacteria" to take over. There is a constant battle for who reigns over the gut and it is essential to help the good bacteria always to win.
